

Pictures/Video Release Form

I, the undersigned, do hereby grant or deny permission to Little Peaks Preschool and Nursey to use images of my child, _____. Pictures will be taken of the children at play. LPPN will use these for many things including but not limited to; emailing parents, on websites, memories, sharing with families, posting on daycare walls to generate a feeling and sense of belonging. This also helps to show the environment that we provide. Although we currently use the Brightwheel app, this may change. Please note that this signature page will cover any Parent share app we decide to use in the future.
